

THEAM TLD

Series 6500

TLD-DOUBLE TELESCOPIC MEET THE MOST SERIOUS COMPETITION IN THE LINE UP. This conveyor telescopes on both the tip and middle section giving it the **MAXIMUM REACH** and the **MAXIMUM Telescoping Capacity** of any other. It can give a concrete pump a run for its money. That's not the point of any of our conveyors but this model does show teeth. It would be a good choice for the operation that is seasonal, rural or remotely located in places where pumps are few and far between.

PRODUCT SPECS

Maximum Discharge Reach	60ft
